WESTERN DIVISION

Stephen Paul Watson, Pro Se.

PLAINTIFF(S),

v.

Federal Bureau of Investigation et al.

DEFENDANT(S).

CASE NUMBER: 2:26-cv-07725-CV-AJR

MOTION FOR LEAVE TO AMEND COMPLAINT

Plaintiff, Stephen Paul Watson, seeks permission by Judge, to amend complaint a second time, due to clerical error, in "Specific Federal Officer List for Injunctive Decree in Official Capacity" on Pages 29, 30 of complaint where names now match SUM-200 (A) - additional parties attachment to summons. This alleviates confusion if injunctive relief is granted by Judge reading complaint. First Amended Complaint was filed on 7/30/2026. The Second Amended complaint to fix clerical error is being filed in a timely manner. The Plaintiff has also made the following ex parte, dropping a party changes to July 8th, and July 30th First Amended Complaint:

Rule 3.1324 (b). Supporting declaration:

Vice Admiral Karl O. Thomas - Director of Naval Intelligence has been removed.
William J Pulte DNI Director has been changed to Jay Clayton the new DNI Director.
Scott Lara, David Laufman of the DoJ's CES has been changed to Christian Nauvel.
Sean T Ryan - Assistant Director of FBI's Operational Technology Division (OTD) was missing from summon but on complaint and has been added to summons if Judge approves amended complaint.
Pertinent defense mailing address changes in Summons/SUM-200(A).

The Plaintiff has not mailed summons nor complaint to defense and believes stipulation with all parties is not needed to fix clerical error, where there is proof of fairness, so names on complaint conform to summons before mailing summons and complaint to the defense. Attached as an exhibit is the Second Amended Complaint for Judge's approval. New amended complaint is attached in Exhibit 1.
